

SDA - COVID-19 UPDATE (as of 6/23/2020):

Due to the rise in Covid-19 cases in the state of Florida and the recommendations of the CDC, that all persons are to wear mask when they are in a public environment inside or out in the state of FL. We have updated our guidelines for in-studio classes. Please read the following carefully and let us know if you have any questions. We are committed to staying #SDAstrong

1. For SDA to continue to safely offer in-studio classes, we are asking all parents and students to wear a mask when dropping off your child.

2. WHEN STUDENTS ARE IN CLASS, THEY ARE NOW REQUIRED TO WEAR A MASK.

3. Their activity level will be set accordingly so no one has issues breathing and breaks will be given to accommodate times when they have exerted themselves.

4. Please let us know if you have any questions. We appreciate everyone's cooperation with this new protocol as we are trying to provide a safe and happy environment for our students, families and extended family members and friends.

5. To limit the number of people in the building, only students, staff and faculty will be allowed in the studio to keep capacity numbers in approval with the count.

6. Please only one parent drop off and pick up their dancer.

7. Students and anyone entering the building will have their temperature scanned with a non-touch thermometer.

8. Drop off your dancer at the BACK DOOR (#17)

9. Pick up your dancer at the FRONT DOOR (also #17, next to Subway)

10. The floor and mats will be marked to show where dancers may stand. They will be able to maintain movement in their space while staying a safe 6 feet from surrounding dancers. Please talk with your child and explain the importance of following the rules during class.

11. Each dancer will have a spot to put their dance bags and shoes that will also maintain 6 feet distance from each other.

12. Please observe social distancing procedures upon entering and exiting the building.

13. Barres and mats will be wiped down between each class if used at all. Students will be asked to wash hands before and after class. Hand sanitizer will also be used.

14. SDA is committed to daily sanitizing of all bathrooms and common areas.

15. All classes will be streamed on Zoom to watch from your car or your home. Students may also continue zoom lessons from home as parents see fit.

16. Dancers that are feeling ill should STAY HOME if experiencing any symptoms such as: fever, coughing, sneezing, running nose etc.
